Mariya Gabriel answered the questions of scientists and citizens about new EU program 'Horizon Europe'. The ambitious research and innovation programme will boost the scientific, economic and societal impact of EU funding to improve the daily lives of people in Europe and around the world. During the event, Dr. Gergana Zahmanova and Petar Kazakov discussed with the EU Commissioner the PlantaSYST Project and the work of CPSBB. Commissioner Mariya Gabriel formally accepted the invitation to visit the CPSBB.
