

Organic Innovation Days 2020

Petar Kazakov (CPSBB) participated in the online **Organic Innovation Days 2020** on 24-25 November 2020.

The Organic Innovation Days provide a unique opportunity to meet members of the European Technology Platform TP Organics, as well as to network with EU stakeholders and decision-makers.

The event was attended by representatives of important government agencies, world seed industrial companies, non-governmental organizations, academic organizations, and organic farmers such as: Bram Moeskops - TP Organics; Monica Messmer - FiBL-CH; Bruno Pollet-BASF/Nunhems; Malene Andersen - Danish Ministry for Environment and Food; Pier Giacomo Bianchi - CREA-DC; Heleen Bos - Rijk Zwaan Vegetable Seed; Lisa Bosch - KWS SAAT SE and Co; Eduardo Cuoco - Director, IFOAM; Rolf Folkertsma - Bayer Crop Science; Hans-Jorg Lutzeyer - EU Commission, Susana Gaona Saez - EU Commission, Jurgen Held - German Plant Breeders Association; Ludovic Paris- Limagrin; to name a few.
