

Center of Plant Systems Biology and Biotechnology
139 Ruski Blvd., Plovdiv 4000, Bulgaria
E-mail: secretary@cpsbb.eu

The Center of Plant Systems Biology and Biotechnology (CPSBB) offers the following position:

Technician (maintenance)

Occupation: Full-time

Period: Fixed-term contract, probation period of 6 months, possibility of extensions

Place: Plovdiv, Bulgaria

Apply no later than: February 26, 2017

CPSBB is a newly established research center in Plovdiv, Bulgaria, with the financial help of the H2020 project PlantaSYST (Teaming), the Bulgarian Government, and the Municipality of Plovdiv. CPSBB's mission is to position itself at the forefront of plant sciences in Bulgaria and South-East Europe.

The CPSBB is looking for technician(s), who can perform repair and maintenance works of the buildings and their systems: electricity, water supply/sewage etc.

Job Requirements:

- The employee is expected to have wide skills in different type of construction and reconstruction skills in order to maintain specialized buildings as – laboratories, climate chambers, green houses. He should know the basics of electrical engineering, plumbing, tiling, bricklaying, welding, and basics of stone works.
- The candidates should have a college degree in electrical or electronic engineering.
- A requirement is a good international experience in working in foreign companies in the field of constructing, reconstructing, and woodwork.
- A good advantage would be an experience in building, rebuilding, construction and reconstruction of research and scientific laboratories, constructing and maintaining of plant climate chambers and greenhouses.
- A good command of foreign languages is an advantage.
- A requirement is a good driving skill with a basic knowledge of machine repairing.

Main responsibilities:

- The candidate must be available in extreme cases of accidents and repairs.
- Maintaining and repairing laboratories, climate chambers, greenhouses etc.
- Organizing maintenance and repairing by external sources in case of extreme accidents.
- Different types of logistics.

We offer:

- Fast changing and growing scientific environment. Opportunity to build and develop.
- A competitive remuneration package
- Funding is available immediately

Deadline for application:

The application deadline is 26.2.2017. Applicants are encouraged to apply as soon as possible as the position will remain open until filled by a suitable candidate.

Interested applicants should upload the following documents:

- CV
- letter of application, mentioning the position you apply for and the motivation to apply
- Recommendation(s) by former employers

You can apply for this job **no later than 26 February 2017** by e-mail (secretary@cpsbb.eu).
