

## **Dr. Aakansha Kanojia from CPSBB held her first art exhibition**

Dr. A. Kanojia with some of her paintings.

On 1<sup>st</sup> of September 2020 in Art Class Center, Plovdiv was held the first art exhibition of Dr. Aakansha Kanojia. The event was part of European Researcher's Night 2020 and was organized by the Center of Plant Systems Biology and Biotechnology (CPSBB) in cooperation with Art Class Center. During the exhibition, the host Mrs. Iva Nedeleva discussed the symbolic side of knowledge with the author. Dr. Kanojia presented her artworks and explained how science had influenced her art and visual perspective. The event was attended by scholars from

different fields of science, media, NGOs, artists and citizens. As a result, the whole exhibition was sold out in a matter of minutes.

Dr. A. Kanojia, Assoc. Prof. Dr. V. Kazashka, Dr. N. Staykov, Dr. V. Petrov, Mr. L. Tonchev (CPSBB) and attendees of the art exhibition.

More about the scientific work of Dr. Aakansha Kanojia and the CPSBB can be found on [www.cpsbb.eu](http://www.cpsbb.eu)

The event was funded by European Commission's under Marie Skłodowska-Curie actions, The European Researchers Night 2020, GA – 955283 – H2020-MSCA-NIGHT-2020 – <https://nauka.bg/nosht2020/>
