

The **Center of Plant Systems Biology and Biotechnology (CPSBB)** offers the following position:

Laboratory manager/technician

Occupation: Part-time (4-hours)

Period: Fixed-term contract, probation period of 6 months, possibility of extensions up to 2 years

Place: Plovdiv, Bulgaria

Apply no later than: 31 October 2021

Applicants are encouraged to apply as soon as possible as the position will remain open until filled by a suitable candidate.

Application Documents:

- CV
- **Letter of application, mentioning the position you apply for and the motivation to apply**
- **Recommendation(s) by former employer(s) (optional)**

CPSBB is a newly established research center in Plovdiv, Bulgaria, with the financial help of the H2020 project PlantaSYST (Teaming), the Bulgarian Government, and the Municipality of Plovdiv. CPSBB's mission is to perform cutting-edge fundamental and applied research in the fields of plant development, stress physiology, plant cell biotechnology, vegetable breeding, metabolomics, and bioinformatics.

CPSBB is looking for a laboratory manager/technician, who can organize the day-to-day lab activities, assist the researchers working in the lab, and resolve the arising technical issues.

CPSBB is an equal opportunity employer.

Job Requirements:

- MSc in biotechnology or related fields
- Minimum 4 years of laboratory experience as a technician
- Fluent English and Bulgarian

Main responsibilities:

- Technical and administrative support (Ordering chemicals, consumables, equipment etc.)
- Maintaining the lab in good order
- Assisting the postdocs and the PhD students with their research and with all technical issues

We offer:

- Competitive salary
- Fast-changing and growing scientific environment. Opportunity to build and develop. Career development in an international research institute
- Funding is available immediately

You can apply for this job **no later than 31 October 2021** by e-mail to: secretary@cpsbb.eu
