

CPSBB's Researchers participated in the Faces of Operational Programme for Science and Education for Smart Growth photo exhibition

Executive Agency "Operational programme science and education for smart growth" together with Sofia Municipality has organized a photo exhibition "The faces of the Operational Program Science and education for smart growth". The exposition is located in the garden of the National Palace of Culture. It aims to present the people involved in projects funded by the programme - researchers, teachers, mentors, mediators, students and pupils.

The photos dedicated to CPSBB and the project "Establishment of a Center of Plant Systems Biology and Biotechnology for the translation of fundamental research into sustainable bio-based technologies in Bulgaria" represent Dr. Rafe Lyall (lower left), PhD student Martina Savova (lower right) Dr. Ramadoss Dhanushkodi (upper right), and Dr. Gergana Zahmanova (upper left) in their work environment. The exhibition is available until September 28, 2021.
